SPECIAL ITEM COLLECTION INFORMATION

There are no longer Spring/Fall Clean-up Weeks

The collection of any loose items is considered to be a Special Collection and may incur a fee.

This includes household items, appliances, carpet, doors, windows, etc.

The fee will be waived for **1 small household** item per week that meets the following guidelines:

Under 40 lbs., easily handled by 1 person, no larger in volume than a single bag of trash, no electronics, (fees never waived for TVs, computers, printers, fax machines). Some examples include: 1 dining room chair, 1 upright vacuum cleaner, 1 fan, 1 lamp, 1 set of window blinds. Placing more than 1 item out per week will result in a fee of \$20 per item.

It is highly recommended to contact the Garbage Hotline for pricing & eligibility before placing any loose items to the curb.

Up to 3 special items or electronics may be scheduled for collection at a discounted rate per week by contacting the Garbage Hotline at least 1-2 business days in advance of your collection day. Examples of items eligible for special collection include: TVs, computers, printers, air conditioners, appliances including microwaves, furniture, small lawn mowers, rolled carpets, barbecue grills, sinks, toilets, bath tubs, hot water tanks, windows, doors, dry mattresses (wet mattresses may become too heavy for collection).

The following items are NEVER acceptable for trash collection: Any type of wood or lumber, construction material including roofing material, automobile parts, tires, scrap metal, excessively heavy items such as pianos & wet mattresses, items with signs of bedbug or cockroaches, or yard waste (except when using purchase brown bags for scheduled yard waste collection).

(Garbage cans, totes, or containers of any kind are never thrown out unless the BPU is notified to collect or there is a sign attached to the container stating it is to be thrown out as trash.)

SOLID WASTE RATE INFORMATION

Residential Solid Waste charges are for the weekly collection of household trash only, up to 8 standard trash bags per week. Bags in excess of 8 will be collected and charged to the account holder at a rate of \$3 per bag.

Special items that are collected from the curb without an appointment will be charged to the account holder at the full rate of \$20 per item. Contact the Garbage Hotline 1-2 business days in advance to schedule and receive a discounted rate on up to 3 items per week.

Electronics and TVs always require an appointment for collection. If an electronic or TV is collected from the curb after an extended period of time, it will be collected and billed at double the regular rate.

Trash and Recycling items should not be placed to the curb until after 6 p.m. the night before the scheduled collection day. All containers should be removed from the curb within 12 hours of the collection time. Failure to comply may result in a \$10 fee being charged to the account holder each week it occurs.

For customers participating in the Residential Recycling Credit Program, participation is tracked through the use of the assigned orange bin at the assigned service location only. Credit will not be issued for the use of alternate containers, bins assigned to other customers, or for the usage of bins at the wrong address.
