GENERAL INFORMATION

8. Form of Application for Non-residential Service: (Cont'd.)

APPLICATION FOR NON-RESIDENTIAL ELECTRIC SERVICE (Cont'd.)

The cost of service may be different under different service classifications. There are eligibility requirements for each service classification. A customer may be eligible for service under more than one classification and one may be more beneficial than another. The accompanying brochure describes the common non-residential service classification in brief. The rate schedule which describes each service classification in detail may be examined in any utility business office.

If you have any questions about your classification, you may discuss this with your customer service representative. If your use of service or your equipment changes in the future, you must notify the utility of these changes to assure that your are being properly billed.

WARNING: If the information provided by you in this section is inaccurate or incomplete, you may be subject to backbilling on the correct service classification, or you may be precluded from receiving a refund for overcharges based on the correct service classification.
