Jamestown BPU Adds Wednesday Hours to Fluvanna Avenue Yard Waste Site

The Jamestown Board of Public Utilities (BPU) Sanitation Division announces that Wednesday hours for its Fluvanna Avenue Yard Waste Site will resume from 4 – 7 p.m. Wednesday, June 17, for the summer season. Yard Waste only will be collected on Wednesdays at the Site.

The Fluvanna Avenue Yard Waste Site this year already is open from 9 a.m. – 1 p.m. Saturdays, when a garbage collection truck is also on hand. The Site is located on Fluvanna Avenue in Jamestown, across from the Farm Fresh Foods Plaza and is open to Jamestown BPU sanitation customers.

The BPU sells brown biodegradable Yard Waste Bags at a price of four bags for \$10 at the BPU Customer Service Department, 92 Steele Street. The \$10 fee includes home pickup of the bags when full. Customers fill the bags, either one at a time or four at once and call the Garbage Hotline before 4 p.m. Mondays to arrange a Tuesday pick-up by the BPU.

For more information, contact the BPU Garbage Hotline at 661-1651 or the BPU Communications Coordinator at 661-1666.
