In making tenders, Bidders shall use the forms included with these specifications, returning the same, intact, with such supplementary specifications, data, drawings, etc., as are to be included

A bid cannot be withdrawn after the expiration of the time set for receiving bids, nor can letter, telegram, or verbal statement make any change in price or other details. No bid will be accepted from, nor will any contract be awarded to any person who is in arrears with the Board of Public Utilities upon debt or contract, or who is in default, as surety or otherwise, upon any obligation to said Board or whose work has heretofore proven unsatisfactory or dilatory.

The City of Jamestown reserves the right to reject any bid or all bids, the right to waive any informalities, the right to permit exceptions deemed not to be of substance, and the right to accept any bid which the City deems to represent the prudent and economical expenditure of the public moneys for the benefit of the City's inhabitants by securing the maximum quality at the lowest possible cost.

The bidder shall submit a complete proposal providing prices for all options and supply any information (with the proposal) which may be required to completely evaluate its proposal or the bid may be declared irregular.
